

# PRODUCT INFORMATION

The Retro-R® Panel is an excellent choice for retrofit construction. Retro-R® can be applied directly over an existing PBR or R Panel to give your building a new look and longer life. Retro-R® is an exposed fastener system. The Retro-R® panel has a membrane on the back side to prevent rust from the old roof and from transferring to the Retro-R® panel.

- **Applications:** Roof and Wall
- **Coverage Widths:** 36"
- **Rib Spacing:** 12" on center
- **Rib Height:** 1-1/16"
