

# Residential Concealed Fastener Panels

## Slimline® and Estate™ Series

NCI Metal Depots has the most comprehensive offering of Residential Roofing Panels in the industry. We provide a choice by offering our entire line in both 29- and 26-gauge, Galvalume® coated steel with a variety of paint systems and color choices. The use of metal residential roofing can meet your requirements as a durable alternative to composition and shake shingles. Most insurance providers offer substantial reduction of premiums to homeowners using metal roofing. Let us help you create your material "take off." Expertise and graphic assistance for the Do-It-Yourselfer is where NCI Metal Depots outperforms our competition!

- Offered in 12" and 16" widths
- Offered in 29- and 26-gauge
- Available in 12 colors
- Available in Siliconized Polyester, Kynar or Galvalume Plus®
- Available in custom lengths
- Designed for durability as well as appearance

### Slimline® Series

Available in 12" and 16" coverage

### Estate™ Series

Available in 12" and 16" coverage

## Storage & Handling of Bundles

**NOTICE:** ALL PANEL BUNDLES MUST BE INSPECTED AND CARRIER ADVISED IMMEDIATELY IF DAMAGE IS NOTED. IF WATER IS PERMITTED TO ENTER THE BUNDLE, IT IS NECESSARY TO OPEN BUNDLE, SEPARATE MATERIAL AND DRY ALL SURFACES.

### PROTECT SHEETS WHILE NESTLED IN BUNDLES:

1. Store bundled sheets off the ground sufficiently high to allow air circulation beneath bundle and to prevent rising water from entering the bundle. Slightly elevate one end of the bundle.
2. Prevent rain from entering bundle by covering with a tarpaulin, making provision for air circulation between draped edges of tarpaulin and the ground.
3. Prolonged storage of sheets in a bundle is not recommended. If conditions do not permit immediate erection, extra care should be taken to protect sheets from white rust or water marks.
