Backyard Building Kits

Whether you need extra storage for your lawn tools or just more workspace for your hobby, NCI Metal Depots Backyard Building Kits are easily assembled, available in three color combinations and come with a standard 20-year paint warranty. Pre-punched holes eliminate “precise” measuring, thus making assembly quicker and easier. Floor kits are optional.

- Available in a variety of colors
- Trim package comes in three color choices: Red, Brown or Charcoal Gray
- All galvanized steel frame
- Pre-drilled holes in framing for easy erection
- 26-gauge Galvalume Plus® roof sheets (Includes 20-Year Warranty)
- 26-gauge wall sheets
- Includes all screws and sealants
- Erection drawings
- Floor decking not included
